Press Release

**On the Competition Commission's decision "On the request of La Petrolifera Italo-Albanese" review to revoke the decision No. 140, 10.03.2010 of the Competition Commission"**

Competition Commission in its meeting of the date 18.03.2010 dealt to examine the issue with the enterprise application "La Petrolifera Italo-Albanese", to revoke the decision no.140, dated 10.3.2010, the Competition Commission, "On provisional measures market service loading and unloading and storage of liquid gas.

Competition Commission after examining the request of La Petrolifera Italo-Albanese company, to revoke the decision no.140, 10.03.2010, of Competition Commission, noted that the company "La Petrolifera Italo-Albanese" claim, is untenable in law and evidence. Also the request submitted by La Petrolifera Italo-Albanese "for the issuance of guidelines to enable implementation of decision no.140, the Competition Commission is untenable in the Law 9121, 28.7.2003" On protection of competition. "

For these reasons the Competition Commission, decided to outvote the demand of "La Petrolifera Italo-Albanese" and the putting into effect the decision no.140, 10/3/2010, "On temporary measures to market-dependent service unloading and storage of liquid gas" and outvoting the demand of " La Petrolifera Italo Albanese" for the issuance of guidelines on implementation of the decision no.140, 10/03/2010 of the Competition Commission.

Competition Commission's decision took effect immediately and parties are aware of it.
