PRESS RELEASE

In cooperation with the Minister of State for Youth and Children, the Competition Authority informs all interested young people about the opening of the Xth Call of the National Internship Program.

In cooperation with the Minister of State for Youth and Children, Ms. Bora Muzhaqi, the Competition Authority informs all interested young people about the opening of the Xth Call of the National Internship Program.

The purpose of the National Internship Program is to provide young people with an integrated work experience in interaction with career professionals in public administration, with the aim of gaining a qualifying experience that affects the development of their professional skills.
